

12th Annual 3rd EyE Open Green Opportunities Fair

July 16,2011
Buttonwood Park, New Bedford, MA

Goals:

To connect youth and inner city populations to green jobs and training opportunities
To model sustainable living practices and products for youth and inner city residents.

Components:

Vendors and Exhibitors related to sustainable living practices.

Exhibition Tables by Green Job providers and green job training providers in weatherization, solar panel construction, etc..

A presence by Local Growers as part of the “Buy Fresh, Buy Local” campaign.

Community Garden Exhibitors

Hands-On Activities such as local food preparation and basics of gardening.

This event will be FREE to the public. We are seeking donations to help keep the 3rd EyE Open FREE of charge, sustaining a positive youth-led community tradition.
